- **Cut on blue line around machine**
- **Fold on inside blue lines**
- **Glue tabs to assemble**

Millermatic® 211

How does the MIG Welder help people?

It is a sunny day and Jack wants to go for a walk with his son Tommy, but Tommy will not go without his wagon and it is broken. Jack gets out his Millermatic to weld the broken wagon. He is able to fix the axle in just a couple of minutes. Jack and Tommy then take a nice walk to the ice cream shop.
